# SPONSORSHIP OPPORTUNITIES

HONOR THE PAST. BUILD THE FUTURE.

# A LEGACY BUILT ON COMMUNITY

The North York Rangers have been a pillar of junior hockey since 1967, proudly developing players and building character both on and off the ice. We are more than a hockey team. The Rangers are a place where local families, alumni, and supporters unite around a shared passion for the game. We foster an environment that emphasizes discipline, sportsmanship, and personal growth.

Our program has produced NHL greats like Paul Coffey, Bernie Nicholls, and Stephen Weiss, as well as countless athletes who have advanced to the NCAA, professional leagues, and leadership roles within their communities. Through every era, our mission has remained the same: to compete at a high level, develop young talent, and represent North York with pride.

With new ownership, new coaching staff, a strong roster, and a clear vision for the future, we are proud to continue shaping the next generation of hockey talent and community leaders.

We invite you to support the next chapter in this proud legacy.
